### **Lessons in Life By Regina Brett:**

To celebrate growing older, I once wrote the 45 lessons life. It is the most requested column I’ve ever written.

My odometer rolls over to 50 this week, so here's an update:

1. Life isn't fair, but it's still good.
2. When in doubt, just take the next small step.
3. Life is too short to waste time hating anyone.
4. Don't take yourself so seriously. No one else does.
5. Pay off your credit cards every month.
6. You don't have to win every argument. Agree to disagree.
7. Cry with someone. It's more healing than crying alone.
8. It's OK to get angry with God. He can take it.
9. Save for retirement starting with your first paycheck.
10. When it comes to chocolate, resistance is futile.
11. Make peace with your past so it won't screw up the present.
12. It's OK to let your children see you cry.
13. Don't compare your life to others. You have no idea what their journey is all about.
14. If a relationship has to be a secret, you shouldn't be in it.
15. Everything can change in the blink of an eye. But don't worry because God never blinks.
16. Life is too short for long pity parties. Get busy living, or get busy dying.

17. You can get through anything if you stay put in today.
18. A writer writes. If you want to be a writer, write.
19. It's never too late to have a happy childhood. But the second one is up to you and no one else.
20. When it comes to going after what you love in life, don't take no for an answer.
21. Burn the candles, use the nice sheets, wear the fancy lingerie. Don't save it for a special occasion. Today is special.
22. Over prepare, and then go with the flow.
23. Be eccentric now. Don't wait for old age to wear purple.
24. The most important sex organ is the brain.
25. No one is in charge of your happiness except you.
26. Frame every so-called disaster with these words: "In five years, will this matter?"
27. Always choose life.
28. Forgive everyone, everything.
29. What other people think of you is none of your business.
30. Time heals almost everything. Give time, time.
31. However good or bad a situation is, it will change.
32. Your job won't take care of you when you are sick. Your friends will. Stay in touch.
33. Believe in miracles.
34. God loves you because of who God is, not because of anything you did or didn't do.
35. Whatever doesn't kill you really does make you stronger.
36. Growing old beats the alternative - dying young.
37. Your children get only one childhood. Make it memorable.
38. Read the Psalms. They cover every human emotion.
39. Get outside every day. Miracles are waiting everywhere.
40. If we all threw our problems in a pile and saw everyone else's, we'd grab ours back.
41. Don't audit life. Show up and make the most of it now.
42. Get rid of anything that isn't useful, beautiful or joyful.
43. All that truly matters in the end is that you loved.
44. Envy is a waste of time. You already have all you need.
45. The best is yet to come.
46. No matter how you feel, get up, dress up and show up.
47. Take a deep breath. It calms the mind.
48. If you don't ask, you don't get.
49. Yield.

50. Life isn't tied with a bow, but it's still a gift.

### **A Brief Biographical Sketch**

*After an over 40 year career as a professional psychotherapist and Director of The Sports Stress Clinic in Amherst, NY, Charles Bonasera came to Florida and decided to use the benefits of his previous professional experiences in his new roles of Consultant in Life Management and Business Coaching as well as his expertise as a Motivational Speaker. He once again became involved with athletes in different sports training them with his techniques to help them develop and maintain focus as well as staying in their zone. Much of his training methods are derived from the CD collection he developed under the heading of WIN-WIN SECRETS as the President of Personal Identity Controls. This collection consists of thirty-six programs dealing with vital issues in the management of stress.*

*Another role that he adopted to add to his professional career was that of Author. Early in the 1980's he wrote Guide to a Life Management Process which he has re-written as a workbook to successfully help people manage their stress which includes his own Working Model. As a result in his interest in golf and realizing that it was essentially a "mind game", he wrote The Mental Side of Golf which can benefit the beginner as well as professionals playing the game of golf.*

*He then compiled over five-hundred sayings that he had developed in the course of his professional career as stimuli to help people change patterns in their lives entitled How to Stay Well and Live Life to the Fullest. This was followed by a book documenting case studies around disruptive life patterns including ways to change them under the name of How in the Hell Did This Happen to Me? Both his personal involvement in sports as a participant, coach, manager and in his role in officiating, inspired him to write a primer for parents and coaches entitled The Legend of Little League.*

*Charles invites you to view his website at [www.charlesmbonasera.com](http://www.charlesmbonasera.com) as well as to write with your comments and questions to his e-mail address ([charles@charlesmbonasera.com](mailto:charles@charlesmbonasera.com)). He would also be very happy to communicate with his readers by telephone should they desire. His professional motto is "seeking alternative methods to happiness" and wishes those touched by his words to practice the three secrets to a happy life: "enjoy life and enjoy it thoroughly ... develop and maintain a sense of humor ... bring as much love into your life as possible.*
