

## **MOTIVATIONAL SPEAKING ENGAGEMENTS**

Whether I am delivering a corporate keynote address to 1000's or speaking to small business or church groups "speaking from the heart" is my trade mark.

Prior to any engagement I'll have in-depth conversations with the event coordinator to determine the specific needs of the audience.

My presentations are tailor made and can address a wide variety of topics. Each one EMPHASIZES THE POWER OF THE HUMAN MIND to LEARN and CREATE POSITIVE CHANGE in the life of EVERY PARTICIPANT.

AUDIENCE PARTICIPATION IS KEY to the EFFECTIVENESS of my programs. Therefore, all of them are designed to engage the audience at a high level. HAVING FUN is a very important part of LIVING LIFE as well as of my presentations.

My speaking presentations are, ENTERTAINING, INFORMATIVE and STIMULATING.
